

REMARKS

This Amendment corrects the Cross-Reference To Related Applications paragraph to reflect the current status of the application's parent application. Entry of this Amendment is earnestly requested, as it does not insert any new matter into the application, raise a new issue, or require further search by the Examiner. The Issue Fee is being paid concurrently with the filing of this Amendment.

It is not believed that any fee is required in connection with this Amendment. Nevertheless, the Director is authorized to charge our Deposit Account No. 08-2336 in the amount of any such required fee.

Respectfully submitted,

JORG SCHOTTEK ET AL.
